

Tektronix TDS1000/2000 Series

Get what you expect. Trust what you see.

Tektronix TDS1000/2000 Series Uncompromised performance, quality, and design.

- ✓ Bandwidth and sample rate you can rely on
- ✓ **3-year** standard warranty, comprehensive set of specifications we stand behind
- ✓ Compact and lightweight package, frees up valuable bench space

Agilent DSO3000A Series Can you really afford to compromise?

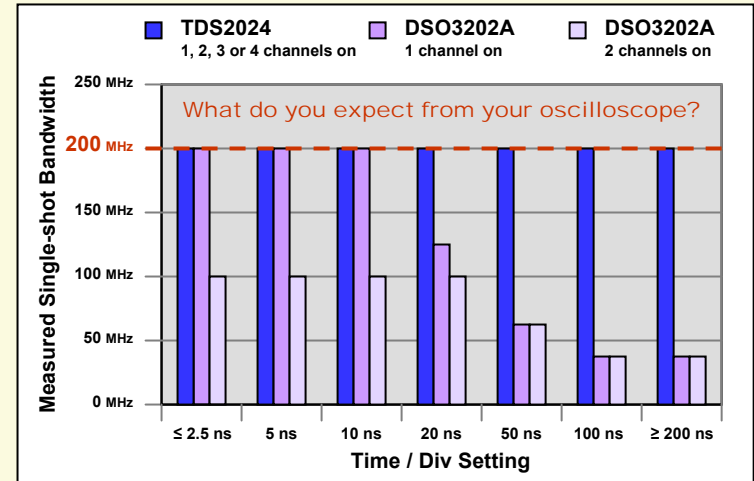

- ✗ Bandwidth and sample rate **reduced by 50%** for many routine measurements
- ✗ **1-year** standard warranty, **only two** warranted specifications
- ✗ Requires over twice the bench space of a Tektronix TDS1000/2000
